

# RESPONSE HG™

CHAMPIONSHIP-TESTED

## SportGuard™

High gloss with proprietary advanced surface technology provides an incredibly durable, factory-applied top coat that lasts for the life of your warranty and brings the best look to your facility.

## Safety

Response HG surfaces are designed to absorb shock and prevent fatigue, concussions and injury. Plus, our patented Lateral Forgiveness™ provides protection against stress on knees and joints.

## New Look and Feel

Never worry about paying to have your court refinished. Everyday, you'll walk into your facility to see a court that looks brand new, no matter how long you've owned it!

## Real Wood Look

Upgrade to the top-of-the-line Maple Select™ for an attractive alternative to a hardwood court while retaining the feel of a maple surface. Splinters not included!

## Easy to Clean

SportGuard creates a low maintenance, anti-scuff surface that can be easily cleaned with a dust mop or broom.

Proud to be the official court of the most demanding athletes in the world.™

# Why Response HG™

**QUICK INSTALLATION.** Response HG can be installed by your local certified CourtBuilder™ quickly and efficiently without adhesives.

**LOW LIFE-CYCLE COSTS.** Durable, easy-to-clean, and low-maintenance surfaces save you money in the long run.

**USA-MADE QUALITY.** High-impact polypropylene suspended court is engineered and manufactured at our Salt Lake City headquarters.

**BALL RESPONSE.** Response HG delivers the same ball response as a hardwood court while providing a comfortable and safe playing surface.
